CELL (530) 375-9512 • E-MAIL krakatoa2012@gmail.com

## PROFILE

**20 years experience as a Java programmer**  
**5 years experience as a full-stack web developer**

## EDUCATION

**Associate of Science – Web Development**  
Sierra College, Rocklin, CA 2016 - 2020  
**Bachelor of Science – Computer Science**  
San Jose State University, San Jose, CA 1986 - 1990

## EXPERIENCE

### **Independent Consultant - *Self Employed***

- Freelance web design and web development using HTML5, CSS3, PHP, MySQL, JavaScript, jQuery, and ASP. Deployed and launched finished products to web-hosting sites using FTP and online tools
- Provided network support and PC and printer deployments for several small-to-medium-sized businesses (SMB) and small office / home office (SOHO) environments in Napa, Novato, and San Jose
- Created and supported VB.NET software applications and designed scripts and web pages for several Sacramento and Bay Area clients using mostly XHTML, CSS, JavaScript, and VBScript

### **Software Applications Engineer - *Sacramento County***

- Wrote Java application software for 31 different applications to support over 3500 users at 225 different locations for Sacramento County's Department of Health and Human Services (DHHS), supporting both desktop and laptop PCs, printers, & PDAs

### **Software Applications Engineer - *Hewlett Packard***

- Wrote network management software applications in Java. Was part of the team that introduced the HP Openview Professional Suite that supported a variety of Windows OS and NOS platforms including Windows Servers and Novell NetWare servers as well.
